The Department enforces compliance with these regulations and promotes worker and public safety through its review and approval of building plans, permitting and licensing functions, and inspections. In addition to Code and Zoning compliance review, emergency response and professional analysis of accidents to prevent future incidents, the Department has strengthened its education and outreach programs to provide the construction industry, property owners and tenants with a heightened understanding of safety awareness.

The Department is committed to providing efficient service to all New Yorkers by continuously assessing the equitable distribution of resources to meet the safety and permitting needs of residents across all five boroughs; enhancing the quality of life for all New Yorkers and making our
