Wisconsin Diagnostic Laboratories (WDL) provides clinical laboratory testing to Froedtert & the Medical College of Wisconsin Froedtert Hospital, as well as to health care providers in Wisconsin and Illinois. Froedtert & the Medical College of Wisconsin is the only academic medical center in eastern Wisconsin, and is home to eastern Wisconsin's only adult Level I Trauma Center. Froedtert Hospital and the Medical College of Wisconsin play critical roles in contributing to quality of life and health in the region.

WDL is staffed by scientists who are trained and certified in performing complex laboratory testing in a variety of disciplines. Our laboratory assistants and support staff work together to ensure every patient specimen is handled with care and compassion. We maintain a high level of expertise and utilize cutting-edge technologies to provide diagnostic tools to our health care partners and assist in the quest for optimal patient care.

Our technical staff of Clinical Laboratory Scientists (Medical Technologists), Cytogenetic Technologists, Microbiology Technologists, Molecular Biology Technologists, Cytotechnologists and Histotechnologists require a bachelor's degree and certification through the American Society for Clinical Pathology (ASCP). Medical Laboratory Technicians and Histotechnicians, require an associate degree and certification.

You can make difference in the lives of the patients we serve. Consider joining Wisconsin Diagnostic Laboratories team of highly dedicated staff who are passionate about providing exceptional services to our physicians and patients.
