Description

Rush University Medical Center offers a collaborative environment that fosters innovation, strives for excellence, nurtures respect for others, and ensures accountability in delivering world class care to our patients. Here, you'll discover the benefits of working with a dedicated family of top professionals who are accountable for meeting our Service Standards. We seek employees who not only support our mission, but also those who actively contribute to our service driven environment by enhancing the patient experience.

Established in 1974, the Office for Equal Opportunity resides in the Office of the President and CEO of Rush University Medical Center in Chicago, Illinois, to whom the associate vice president for equal opportunity reports. The responsibilities of the Office for Equal Opportunity include:

Development and implementation of equal opportunity and affirmative action programs, policies and procedures on harassment, programs related to the Americans With Disabilities Act and other civil rights and diversity policies and programs.

Mediation of discrimination and harassment complaints in the academic and professional sectors. Strengthening of a positive relationship on civil rights matters between Rush and government entities or civic and professional organizations.
