### Description

---

More than 175 years ago, Albert Gallatin, the distinguished statesman who served as secretary of the treasury under Presidents Thomas Jefferson and James Madison, declared his intention to establish "in this immense and fast-growing city ... a system of rational and practical education fitting for all and graciously opened to all." Founded in 1831, New York University is now one of the largest private universities in the United States. Of the more than 3,000 colleges and universities in America, New York University is one of only 60 member institutions of the distinguished Association of American Universities.

From a student body of 158 during NYU's very first semester, enrollment has grown to more than 40,000 students... [click for more information](#)

The diverse, multi-cultural community at NYU – the largest private university in the United States and one of the 10 largest employers in New York City – includes more than 12,000 faculty, administrators, and staff from all over the world and over 50,000 students from all 50 states and more than 140 foreign countries.

The commitment of this community to improve the University is extraordinary and can be clearly seen in recent accomplishments and undertakings. As you look around NYU, you will see an astonishing array of programs, with new international centers of study and research institutes supported by brand new facilities, including new classrooms, laboratories, computer centers, sports centers, student housing, and dining facilities.
