## Description

---

METTLER TOLEDO is a global manufacturer and marketer of precision instruments for use in laboratory, industrial and food retailing applications. The Company has strong worldwide leadership positions. A significant majority of our instrument sales are in segments in which we are the global leader. In addition to a broad product offering, we have one of the largest global sales and service organizations among precision instrument companies.

We focus on the high value-added segments of our markets by providing innovative instruments that often integrate various technologies including application-specific solutions for customers. We design our instruments not only to gather valuable data but also to facilitate the processing and transfer of this data into customers' management information systems.

METTLER TOLEDO is geographically diversified with sales in 2011 derived 37% from Europe, 34% from the Americas and 29% from Asia and other countries. The Company has an extensive global sales and service organizations with approximately 6,000, or approximately one-half, of our employees providing sales and service in 35 countries. The Company has a manufacturing presence in Europe, the United States and China.

Driven by a spirit of innovation, excellence and marketplace competitiveness, Mettler-Toledo, Inc. is a growth oriented company where individuals from a variety of backgrounds work as one to maintain our global leadership in precision weighing instruments for laboratory, industrial and food retailing applications. We continue to build on a tradition of teamwork and success, with a strong commitment to workplace diversity. Mettler-Toledo is an Equal Opportunity Employer and as such complies with Federal, state and/or local laws that prohibit discrimination in employment based on

race, religion, color, age, sex, national origin, citizen or intending citizen status, disability and veteran status. Information provided during the application or employment process will not be used to discriminate against any individual in any manner.
