Description

BAE Systems, Inc., the U.S. subsidiary of BAE Systems plc, is headquartered in Rockville, Maryland, and is responsible for developing BAE Systems' trans-Atlantic business, relationships with the U.S. Government, administration of BAE Systems' Special Security Agreement, and managing its U.S. based operating groups.

Diversity - Up close and personal. Something For Everyone An inclusive environment encouraging individuality. Your individuality makes you a valuable team member here, because shaping some of the world's most critical technologies is a highly collaborative endeavor. And the more unique the ideas and points-of-view we can bring together, the better it is for everyone Every individual employee at BAE Systems comes to work with a view, a perspective, and a passion for excellence that is unique and valuable.

Our level of innovation and our position as a world leader in technological solutions and services is dependent on how well we embrace those differences of thought, behavior, background, culture, and experience. No one else brings the same opinions, original ideas or personal history that you do BAE Systems is an equal opportunity employer and complies with all applicable federal, state and local anti-discrimination laws, orders, directives and requirements.
