## Description

---

Whatcom Community College is a comprehensive two-year college serving more than 7,000 students quarterly and more than 12,000 annually. Set on a 71-acre campus, considered by many to be the most picturesque in the state, Whatcom offers transfer degrees and professional training programs, as well as basic education and community education classes. The College is accredited by the Northwest Commission on Colleges and Universities. WCC is rated among the top six community and technical colleges in the state and recognized as one of the leading community colleges in the nation. (Aspen Institute, April 2012)
