Description

CBS RADIO, home to the nation's most listened to news, sports, rock and country formatted stations (1010 WINS, WFAN-AM, KROQ-FM and WUSN-FM, respectively), is one of the largest major-market operators in the United States with stations covering news, sports, talk, rock, oldies, country, adult contemporary and urban formats, among others. A division of CBS Corporation, CBS RADIO owns and operates 130 radio stations, all but one of which are in the nation's top 50 markets. The overall mix of each radio station's programming is designed to fit the station's specific format and serve its local community.

Operating within CBS RADIO is CBS Local Digital Media, a unique brand responsible for the convergence of the division's new and traditional media platforms through creative original content and advanced delivery methods. Combining the assets of CBS's owned and operated television and news/sports/talk radio stations, CBS Local Digital Media brings together the most trusted brands in media offering visitors a truly "local" experience. Websites and mobile applications have been launched in more than two dozen markets and include the latest news, traffic, weather and sports headlines, as well as a question and answer service, daily CBS Local Offers, Best of Guides, and business directories.

Live audio streams and a library of on-demand video from all CBS local market stations are available allowing consumers to experience award-winning original content whether at home, the office or on the go. Mobile applications for the iPad, iPhone, iPod Touch and Android devices are also available making listening on the go easier than ever before.

With opportunities in nearly every field of broadcasting and digital media, including programming, news, sales, marketing, production, broadcast engineering, web development, technology, digital ad operations, finance and administration, CBS RADIO can provide you with the benefits of a challenging position and rewarding career.
