Description

McGraw-Hill Education partners around the world with students, educators, administrators and other professionals to deliver engaging, adaptive and personalized solutions that improve performance and results. We combine proven, research-based content with the best emerging digital technologies to guide assessment, teaching and learning to achieve the best possible outcome for students, instructors and institutions. McGraw-Hill Education employs more than 6,000 people in 44 countries and publishes in more than 60 languages.

Diversity and Inclusion Our Commitment:

For McGraw-Hill Education, diversity is a core value reflected in our leadership's commitment to an inclusive workplace that values each individual and their contributions and enables them to reach their full potential. In an increasingly global marketplace, our commitment to a diverse and inclusive work environment becomes ever more critical to our future success. The diverse characteristics, perspectives, ideas and backgrounds that our employees bring to the table give us a vital competitive edge in anticipating and exceeding our customers' needs.

Diversity at our company extends well beyond the traditional definition of race and gender; it's embedded in the very way we do business. Because our products and services are so diverse and global our customers could be anyone, anywhere. So we don't just welcome diverse employee backgrounds here - we seek them out. We rely on our employees to bring their unique point of view and understanding of the world and apply it to their work. By anticipating our customers' need for knowledge, we provide people with the tools they need to succeed in life.
