### Description

---

Richter & Cegan is an award winning planning and landscape architecture firm with a solid reputation for providing our clients with the highest level of quality and professional services. Our staff is highly trained and dedicated individuals who thrive in our dynamic office environment. Their skills and talents are diverse, and their commitment to quality is paramount to our firm's success. We work hard to conceive and construct high quality environments that are aesthetically pleasing, environmentally sound and contextually appropriate.

Whether we serve as primary consultants or one of several team members involved in project planning and design, we pride ourselves on delivering creative, realistic and economically viable solutions. With hundreds of completed projects in diverse markets for both public and private clients, we are often sought out for the most notable, comprehensive, and challenging projects.

Our ultimate goal is to create vibrant and successful settings through careful planning and creative design that will not simply endure ... but will actually improve with maturity and use.
