### **Description**

---

Alexandria Technical & Community College's retention, graduation, and career placement is among the highest of all Minnesota public two-year colleges. The college provides quality education, whether you are planning to start your career or just beginning your education.

There are a variety of programs and majors to choose from. You'll find something you're interested in.

If two years is too long for you to be out of the workforce, check out certificates and diplomas that can be completed in one year or less. [Certificates and diplomas](#) equip you with specific skills and knowledge that will set you apart in the workplace.

Maybe you're not quite ready to be part of the workforce. That's OK. Start your education at ATCC and transfer to a university to get your Bachelor's degree. Still in high school? Check out the PSEO program that allows you to earn credits toward a college degree and your high school diploma.
