Description

Community Blood Center/Community Tissue Services operates solely to fulfill the need for blood, allograft tissue and specialized laboratory services to patients. As a not-for-profit, 501c(3) organization, CBC/CTS delivers the confidence and tradition of 40 years of service to those hospitals it serves.

Imagine working for a community-based organization with a national presence. With more than 40 years of experience, Community Blood Center prides itself in being the sole supplier of blood to 25 hospitals in a 15-county area of southwestern Ohio and eastern Indiana. Community Tissue Services™ provides an important link to the communities it serves through recovery, processing and distribution of more than 93,000 allografts each year.
